Price List for Water Testing *(All taxes are included in the price)*

Bacteria Test *(typical test for mortgages)* \$40.00
presence/absence of coliforms

Bacteria Counts *(agricultural requirements)* \$70.00
total and fecal coliform counts (most probable number)

Budget Home Owners Package *(test for basic health concerns)* \$110.00
coliforms (P/A), arsenic, uranium

Metals + Bacteria Package *(broader test for water quality)* \$170.00
coliforms (P/A), arsenic, uranium, calcium, magnesium, aluminum, boron, barium, beryllium, cadmium, cobalt, chromium, copper, iron, manganese, nickel, lead, antimony, selenium, tin, vanadium, zinc, titanium, molybdenum, strontium, silver, thallium, sodium, potassium (\$155 without bacteria).

Metals, Anions + Bacteria Package *(test for most major health concerns)* \$190.00
Arsenic, Lead, Uranium, Fluoride, Nitrate/nitrite, coliforms (P/A)

Ultimate Home Ownership Package *(covers all major health concerns)* \$240.00
sodium, calcium, magnesium, hardness, alkalinity, sulfate, chloride, nitrate, ammonia, iron, manganese, pH, lead-HGA, arsenic, uranium, coliforms (P/A).

Complete Package (Registered Water Supply Owners - NSE) \$295.00
** Requires two chemical/mineral bottles+ and one white capped bacterial bottle*
sodium, potassium, calcium, magnesium, hardness, iron, manganese, copper, zinc, alkalinity, sulphate, chloride, silica, nitrate/nitrite, ammonia, o-phosphate, organic carbon, pH, conductivity, colour, turbidity, bicarbonate, carbonate, total dissolved solids, aluminum, antimony, arsenic, barium, beryllium, bismuth, boron, cadmium, chromium, cobalt, lead, molybdenum, nickel, phosphorus, selenium, silver, strontium, thallium, tin, titanium, uranium, vanadium, fluoride, coliforms (P/A).

Individual tests (one chemical/mineral bottle for any combination of tests) *

ammonia	\$30.00	lead	\$45.00
arsenic	\$45.00	magnesium	\$33.00
calcium	\$33.00	manganese	\$33.00
color	\$24.00	mercury	\$42.00
copper	\$45.00	nitrate/nitrite	\$30.00
fluoride	\$24.00	potassium	\$24.00
hardness	\$65.00	sulfate	\$24.00
iron	\$45.00	uranium	\$45.00

* Please note: There is an additional surcharge of \$20.00 on all individual tests (one black capped bottle), to cover the cost of shipping and handling.
